Comfort and function at your fingertips

- 1. Soft urethane arms.** Support the upper body while maintaining greater comfort over extended periods of time. (Adjustable height arms, Model 2075)
- 2. Wide seat and contoured back.** Provide all-day comfort allowing greater productivity.
- 3. Tilt.** Adjusts seat and back to a reclined position promoting all-day comfort. (Models 2071, 2072)
- 4. Knee tilt.** Allows the seat and back to recline while maintaining feet on floor for increased comfort. (Models 2077, 2078)
- 5. Tilt tension.** Adjusts the amount of resistance felt when reclining to accommodate individual weight and workstyles.
- 6. Tilt lock.** Locks the chair in an upright position for constant back support when not reclining.
- 7. Pneumatic lift.** Raises and lowers the chair, adjusting individual height for the best relationship to the worksurface.

Additional Gamut models not shown: 2077 high-back, 2075 task chair, 2073 guest chair.
