# Uncommon comfort

Treat yourself to the comfort and prestige of luxurious executive, managerial or guest seating. The Pillow-Soft 2090 Series offers a choice of leather or fabric covered cushions and adjustable user preference controls. Styled and proportioned with your utmost comfort in mind.

## Memory Foam

Responsive “memory foam” in the seat and back cushions adjusts to the contours of each individual user for personalized comfort and support.

## Comfort and function at your fingertips

- 1. Soft urethane arms.** Support the upper body while maintaining greater comfort over extended periods of time.
- 2. Wide seat and contoured back.** Provide all-day comfort allowing greater productivity.
- 3. Tilt.** Adjusts seat and back to a reclined position promoting all-day comfort.
- 4. Tilt tension.** Adjusts the amount of resistance felt when reclining to accommodate individual weight and workstyles.
- 5. Tilt lock.** Locks the chair in an upright position for constant back support when not reclining.
- 6. Pneumatic lift.** Raises and lowers the chair, adjusting individual height for the best relationship to the worksurface.

Pillow-Soft meets SCS certification guidelines.
