

**HON**®

Smart now. Smarter later.

# Comfort, function and great style at an affordable price.

Volt feels better, works harder and looks sharper than just about any other chair in its class. Generous proportions comfortably support workers of all sizes.

Easy-to-use controls allow a custom sit for every individual, boosting productivity.

## Volt 5703 with arms

25¾" D x 19¼" W x 40" H

Front cover: 5703GA.62T (task)

5705GA.62T (stool)

### V is for value

Design details like a molded "V" back and seat collar – unusual for a value-priced task chair – make Volt a stylish addition to any workplace.

### Comfort and function at your fingertips

- 1. Adjustable height arms.** Raises or lowers arm reducing shoulder, neck and back strain. (Optional arms, Model 5795)
- 2. Wide seat & contoured back.** Provides all-day comfort allowing greater productivity
- 3. Tilt.** Adjusts seat and back to a reclined position promoting all day comfort. (Model 5701)
- 4. Synchro tilt.** Allows the seat and back to recline at different rates facilitating leg circulation and improved ergonomic posture. (Model 5703)
- 5. Tilt tension.** Adjusts the amount of resistance felt when reclining to accommodate individual weight and workstyles.
- 6. Tilt lock.** Locks the chair in an upright position for constant back support when not reclining.
- 7. Pneumatic lift.** Raises and lowers the chair adjusting individual height for the best relationship to the worksurface.
- 8. Extended Height.** Task stool offers the functional flexibility to accommodate workers in standing-height workstations, high tables and counters. (Model 5705)
